2025 FALL STATE TOURNAMENT

HOSTED BY:

First Baptist School
Rosemount, Minnesota

Welcome to the Fall 2025 MCAC State Tournament weekend!

This fall we have 33 varsity teams representing 20 different schools participating in the playoffs and State Tournament weekend. We are thankful for First Baptist School in Rosemount for being a gracious host for this year's fall State Tournament. Thank you to all the volunteers, coaches, players, and spectators who will help make this weekend a success for all our teams! We are thankful for all the players competing in the arena this weekend as they display their God given talents in ways that bring joy to all of us. And we are thankful for the common unity our schools share through our Lord and Savior Jesus Christ! May everything we say and do this weekend be honoring towards Him and to each other.

History of the League

The Minnesota Christian Athletic Conference (MCAC) was formed in 2024 and has provided opportunity for athletic competition for smaller Christian Schools around the region. The introduction of our league handbook reads: The MCAC exists as an outflow of our member school's strong commitment to Christian Education and our desire to consistently train our young people in all areas of life on the foundation of Biblical values and truth. The MCAC offers one avenue for our students to practically live out their Christian faith in the athletic arena as we enjoy athletic competition with other Christian schools of similar size and philosophy. The MCAC values and seeks to foster long-standing and meaningful relationships between its member schools and participants.

The league currently has 25 member schools competing in various sports at various levels. The league currently sanctions 6 varsity level sports and State Tournaments (Girls

and Boys Volleyball, Girls and Boys Soccer, Girls and Boys Basketball). The league also provides opportunities for sub-varsity level competition throughout each season as well.

Fall State Tournament Format

After competing in the fall season, the varsity volleyball teams were seeded into the top 16 teams and the varsity soccer teams were seeded into the top 14 teams to form their respective State Tournament bracket. First round tournament games were played at the end of last week and hosted by the higher seed. The top 8 winning teams coming out of the first round were placed in the Tier 1 bracket and the bottom teams were placed into the Tier 2 bracket. The Tier 2 bracket winners will be awarded 1st, 2nd, and 3rd place trophies. The Tier 1 bracket winners will be awarded Championship, 2nd, 3rd, and Consolation place trophies. A select group of players participating in this weekend's tournament will be chosen to the First and Second All-Tournament Teams. In addition, First and Second All-Conference Teams have been selected to honor the top athletes from across the league from regular season play. These teams can be found in the tournament program and will be announced and handed their awards on Saturday in the gymnasium after the conclusion of both championship games.

Obviously, there are many people involved in many different ways to make a league like ours and the associated State Tournament a success. We look forward with eager anticipation to what this State Tournament weekend will bring not only in success for our teams but also in building new and lasting relationships among our schools.

In Christ,

Jeff Bonkoski (MCAC Co-director)

<u>MCAC Tourney Admission</u>	<u>Per Day</u>	<u>Tourney</u>
Family (*Immediate)	\$25	\$70
Adult	\$10	\$30
Children (13-18)	\$5	\$15
Sr. Citizen (55+)	\$5	\$15

TOURNAMENT WEBSITE

Please visit the official MCAC website at www.mcacathletics.org and under the STATE TOURNAMENTS tab, you will find information including the tournament e-booklet, rosters, schedules, updates, and other important tournament info. Info will be regularly updated. (Scan QR code)

TOURNAMENT PHOTOGRAPHER

Mark Sherman with Shot in the Dark Studios will be taking photographs of the action throughout the tournament. Schools, teams & spectators may order pictures at: <http://www.shotinthedarksports.net>. Choose "View and Order" to see galleries. (Scan QR code)

SPORTSMANSHIP

The mission statement of the MCAC reads:

"The Minnesota Christian Athletic Conference partners with its member schools to form meaningful athletic relationships and champion student-athletes' development and use of their God-given abilities in ways that glorifies God in all they say and do."

Thank you for showing your support of our league's mission.

Coaches, parents, and fans each play an important role in being a positive role model for our student-athletes. While playing to win is an important goal, it never supersedes the need to, and the value of, maintaining your own Christian character; prioritizing sportsmanship; treating all involved with dignity and respect; and maintaining a sense of fair play. In our desire to demonstrate Christian character, may we be an example of dignity, patience, and a positive spirit in the way we play, coach, and cheer. Please remember to respect the officials and refrain from questioning their decisions in a disrespectful or abusive manner. Support the coaches and referees by trusting their judgment and integrity. Respect the players of all teams at all times. And we encourage everyone to applaud a good effort in victory and defeat. Whatever part you are playing at this year's tournament: player, coach, referee, parent, or general spectator; may we all demonstrate positive sportsmanship as we promote the common mission of the MCAC. Together, we can create a healthy environment where competition can thrive under our common goal to bring glory to God in all that we say and do.

SUPERVISION

We ask that school and/or team personnel make every effort to be responsible for the behavior of their players and fans.

We especially ask that parents provide supervision for their children and know their whereabouts at all times.

Children are not to be left unsupervised at any time.

Thank you for your attention to this matter.
